SEATING SOLUTIONS

Bringing people together with Progress

Proudly Australian made and unrivalled on durability and comfort, Progress is a no brainer when it comes to mass seating.

Lightweight, stackable, linkable and seriously comfortable, our chairs have long been the go-to choices for schools and assembly halls. They provide a generous sized seat for serious comfort and support for all your functions, student gatherings, events and learning activities.

The versatility and flexibility of Progress is endless – we can link, add arms, add a tablet, add a seat or back pad, provide full upholstery or stamp/embroider your logo on the chairs.

Available in a huge range of colours

Versatility with our Twist'n'Lock™ Tables

Create brilliant collaborative spaces using our cleverly designed pin-less leg table system.

Drawing from the same spirit of innovation, clever research and genuine science that gave us our start, we continue to look for ways to make our products better and smarter.

Our simple yet brilliant Twist'n'Lock™ pin-less leg design makes adjusting table heights a breeze, plus they are seriously engineered (like all our products) to be ultra-durable and long lasting.

Tabletop available in standard laminates or writeable

5 great leg colours to choose from

Aqua Grape Jaffa Pine Lime Black

Designed with modularity in mind, all our Twist'n'Lock™ Tables work together to make great settings!

* Performance Edge™ is only available on some of our Twist'n'Lock™ range. Please speak with our friendly staff for details.

Choose from Rigid Edge or Performance Edge™*

Reinvent your spaces with our Big Softies

Inspired by the humble building block, our Australian made modular ottomans have been carefully designed to playfully work together in a 'system' of pieces offering the ultimate in flexibility and modularity.

Working better together than apart, our Big Softies will really bring your spaces to life.

Our modular design allows teachers and students to easily reconfigure furniture to create their ideal learning space and choose their favourite layout option to teach, learn and study.

Have fun transforming your spaces and creating your ideal break out zones

At Sebel, we believe great products make great spaces

Ever since Harry Sebel decided children deserved something better, we've been focused on creating the best furniture we can.

Our products are designed to perform and provide lasting value to teachers and students as learning spaces and pedagogies evolve.

We're very proud of our products and we're always happy to have a chat about what might work best for you.

Give us a call and we'll help make your spaces look great!
